Penguins like to waddle walk, yes that's right, they don't fly,
Penguins like to waddle walk, waddle, waddle, walk!
Waddle waddle penguins, (3 times), these birds just do not fly!

Owls are awake at night, searching food, great eyesight,
Owls are awake at night, whoo whoo whoo!

Crows are calling very loud, chatterboxes in a crowd,
Crows are calling very loud, Caw, caw, caw!
