

Estimating Cookies

Look quickly at the picture, and estimate the number of cookies on the plate.

Do you think there are 3? More or less than 3?

Do you think there are 100? More or less than 100?

Do you think there are 10? More or less than 10?

Let's count them.

How many chocolate brownies are there? _____

How many oatmeal cookies are there? _____

How many jam and crème cookies are there? _____

Now count all the cookies. How many are there altogether? _____
