

## Three Action Rhymes About Ducks

This little duck eats seaweed,  
This little duck eats a snail,  
This little duck drinks water,  
This little duck shakes its tail,  
And this little duck does nothing  
But swim in the pond all day.

Tune: I'm a Little Teapot  
I'm a little duckie  
In the marsh  
I am hiding in the grass.  
When I see my mommy  
Swimming by,  
I quack quack quack  
And out I fly!

Four little ducks went in for a swim  
The 1<sup>st</sup> little duck dipped his head in  
The 2<sup>nd</sup> little duck said I've got a fish  
And I'm telling you, it's really delish!

The 3<sup>rd</sup> little duck fluffed out his wings  
And grumpily said I can't catch anything!  
The 4<sup>th</sup> little duck said I'll help you  
And she showed her brother just what to do.

Heads in the water, tails in the air,  
And they filled up their tummies, without a  
care.
