

These children are playing Spin the Dreidel at Hanukkah. The one who has the most gelt (or pennies) is the winner. Why do you think the boy and the dog look angry? Do you think they should be angry? There is a menorah on the mantel. How many candles are lit? The big candle is the lighter candle, or shamash. The dad is bringing some more potato latkes for the children to eat while they are playing. Do you sometimes eat your dinner on the floor? When?
