

The Pet Song

(Tune: I Wish I Had a Little Red Box)

Oh I wish I had a pet, and if I had a pet,
This is what my pet would be -
It would be a little kitty going meow meow meow,
And it would curl up and snuggle with me.

Oh I wish I had a pet, and if I had a pet,
This is what my pet would be -
It would be a little doggie going ruff ruff ruff,
And it would chase a ball with me.

(Continue with other pets eg. goldfish squeeze cheeks and make a fish mouth; rabbit... hop; hairy tarantula.... walk hand up other arm; - have fun and make up words.)
